CUSTOM BLEND PRICE LIST

The main difference between an essential product and a luxury product has to do with the essential and exotic oils used. The more expensive oils, for example, frankincense and frangipani are a luxury. Essential oils such as lemon, mandarin and spearmint are priced as essential products. Other sizes are available on application. Prices are subject to change without notice. If you return your bottle washed, sterilized and dry, we will refill it for you – you will save \$2.00.

Bottles will not be accepted if returned unclean and wet.
